Rivi Carmel is a lecturer, researcher and pedagogical counselor at Kibbutzim College of Education, Tel Aviv, Israel. Her fields of interests include issues in applied linguistics, literacy studies combining traditional approaches of English language teaching with the latest developments in language teaching theory, research and methodology. In recent years she has been examining the transition of pre-service teachers into teaching and her studies include alternative teacher preparation curriculum, induction into teaching, reasons for attrition, retention and professional development. Additional areas of interest are mindfulness and shared education – promoting partnerships from different communities.
